Never one to confine entertainment to a stage, we've created an unparalleled variety of choices and stylish venues for every occasion. So expect to be surprised and delighted by 'pop-up' performances by musicians and dance troupes, often from the intriguing destinations you're visiting. Add chic lounges and nightclubs, duty-free designer shops, bars capturing the latest trends - all with that unique Celebrity Cruises twist. After something edgier? Then our hilarious and seriously sexy late-night comedy show is the talk of the town. Not to say we don't do the spectacular too. Lighting up the night in the impressive main theatre are otherworldly aerial circuses, high-energy custom productions and full-scale musicals. All this - right on your doorstep and in every destination.

MUSIC, DANCING, LAUGHTER

Take a front row seat for entertainment surpassing anything you've seen before, in venues to match. Morning, noon and night.

Family fun & games

We know that if your children are having a great time, so will you. That's why we've created all kinds of opportunities for the younger cruiser to enjoy while making new friends. To name only a few: sports courts and putting greens, creative crafts, movies, treasure hunts and games, cooking class, teens-only late-night dances - not to mention the latest blockbuster games from Xbox. We've also made it easier for mums and dads to treat themselves to valuable 'together-time', with lunch, dinner and slumber parties for your children. Now everyone can have fun and relax, the way it should be on a family holiday.

HAPPY CHILDREN = HAPPY PARENTS

Our award-winning cruise experience is designed for all ages and interests, right down to the youngest cruiser. Most youth programmes are geared to specific age groups supervised by experienced youth staff members.

Four age groups of fun* - our programmes are divided so your kids are always engaged in age-appropriate activities. There's shipmates, ages 3-5; Cadets, ages 6-8; Ensigns, ages 9-11; and X Club Teens, ages 12-17.

Toddler Time (ages 3 and under) - toddlers and their parents have the opportunity to play together with toys and products provided by the Fun Factory team. Parents must accompany toddlers to Fun Factory activities and events.

Fun Factory (ages 3-11) - this self-contained fantasy world caters for younger cruisers, with games, hands-on activities, video games, movies, arts & crafts, and story times.

X Club (teens) - designed as the ultimate supervised hangout for young adults, with its own games arcade and dance floor. On offer are a host of social activities, the newest gaming consoles and titles, numerous sports, and much more.

VIP passes for kids** - give your child unlimited access to all activities including special behind-the-scene ship tours, an exclusive Fun Factory goodies bag, plus a 40% discount off the cost of individual lunch, dinner or slumber parties.

SeaPass[®] Cards - allow your children charging privileges that you can monitor and control.

Babysitting service** - available in both the Fun Factory and in staterooms. In-stateroom babysitting, for up to 3 children, includes 2 babysitters (subject to availability). Parents are asked to make all private, instateroom babysitting requests 24 hours in advance, and one parent or guardian must remain on board during babysitting time. Note: this is a first- come, first-served programme. For rates and more information, visit: celebritycruises.com/youth.

*Children must be 3 years old, toilet trained, and pull-up and nappy-free to enter youth programme facilities or participate in their activities unless accompanied by a parent. However, families are welcome to borrow toys for their children's entertainment.

Adventures ashore

When it comes to exploring ashore, our excursions are as diverse as the 260 destinations we sail to. Falling into five categories - Destination Highlights, Cultural Connections, Family Tour Challenges, Private Journeys, and Celebrity Exclusives - it's easy to find the ones most suited to you, your family, or a like-minded group of friends. Take to the Tuscan skies in a hot-air balloon, or ride in a helicopter to a Provencal inn for lunch. Absorb the exotic sights and scents of Istanbul's bazaars, snorkel among wild salmon in Norway, marvel at Peru's magnificent Macchu Piccu, or ride an elephant in Phuket, Thailand. But why not prolong the pleasure? Stay longer on an Alaska or Canadian Rockies Cruisetour that combines a cruise with an enriching multi-night escorted land journey before or after your voyage. Your choices truly span the globe.

PICK YOUR PASSION

Celebrity Exclusives - intimate, exotic adventures for small groups (on average 2-4 people, dependent on experience offered), these premium experiences can be customised by our expert onboard Destination Concierge to fit your interests.

Private Journeys - bespoke tours for individuals or small groups, including private transportation and guide as required.

Family Tour Challenges - designed exclusively for families with children 12-17 years old, to incorporate a group activity in which you all participate.

Cultural Connections - been to a destination before? Then see it through new eyes as your tour takes you deeper into its sights, sounds, and tastes.

Destination Highlights - first time visitor? We'll ensure you capture every 'must-see' or 'must-do'.

Alaska & Canadian Rockies Cruisetours - enriching multinight escorted land journeys, available either pre- or postcruise on our Alaska itineraries. You'll be accompanied by a knowledgeable Tour Director who takes pride in making your tour both engaging and entertaining. We'll take care of all the arrangements.

Shore excursions fill up quickly. So we recommend booking as soon as possible. For a complete listing (many offering videos) and to book online in advance, visit celebritycruises.com/excursions. Tours involving flights, special events, overland stays, or hotel stays may be subject to cancellation fees.

*In the unlikely event that your tour is significantly delayed, we'll make all the arrangements for you to return to the ship at the earliest opportunity at no expense to you. We cannot provide this assurance if you arrange your own tour, and you may miss your ship if you are delayed.

HASSLE-FREE CONVENIENCE.

Three great reasons to book your extraordinary shore experiences with us:

- Guaranteed First Off The Ship 1 Guests on our tours enjoy priority departure in port.
- No Cancellation Penalty 2 A change in plans is hassle-free.
- Guaranteed Return To Ship 3 If your tour is delayed, we won't sail without you.*

SHORE EXCURSIONS & CRUISETOURS | 23

Before your cruise

After booking your cruise, you've just a few things left to do, all of which can be done by visiting our Already Booked section online at celebritycruises.com. Of course, some things are better done sooner. To secure your first choice of shore excursions, spa treatments or a table in a speciality restaurant, it's essential to book early - places do go fast. But why not also add one of our convenient beverage or speciality dining packages, even a gift — those little extras that make your holiday even more special.

1 Provide your passport details

Before you travel, you'll need to provide passport details for yourself and anyone travelling with you. We'll need the following details for everyone in your party, so make sure you have them to hand:

- Passport number
- Gender Date of birth
- Country of issue Passport expirv date
- Full name (as it appears on the passport, including middle name)
- Nationality

2 Check-in online

To speed up the boarding process, we strongly recommend you check-in for your cruise online. You can do this anytime, from the day you book until three days before departure, although we advise you do it as soon as possible after booking. You should allow about 15-20 minutes for the entire process, and you'll need your passport details to hand. The Frequently Asked Questions (FAQ) section on our website includes a help guide for online check-in.

3 Book shore excursions

Shore excursions are a great way to explore our fascinating ports of call, or try out new activities. They do fill up fast though, so we recommend you book early to avoid missing out. When you log in to Online Check-In, you'll find plenty of useful information about the ports you'll be visiting and the excursions on offer, so do make sure you take a look.

Shore excursions are usually available for booking from five months before your cruise. Once within 5 days of sailing, you'll only be able to book onboard, so we suggest pre booking in order to confirm the tours you want to do. For more information about shore excursions please turn to pages 22-23.

4 Book add-ons

If you're celebrating a special occasion on board, or just fancy a treat, you'll be spoiled for choice. How about surprising someone with stateroom decorations, or a bouquet of flowers? Or treating yourself to a pampering spa treatment? Why not book a meal for two in one of our speciality restaurants?

You can book all kinds of gifts, beverage packages, spa treatments, speciality dining and much more via the

Already Booked section on our website.

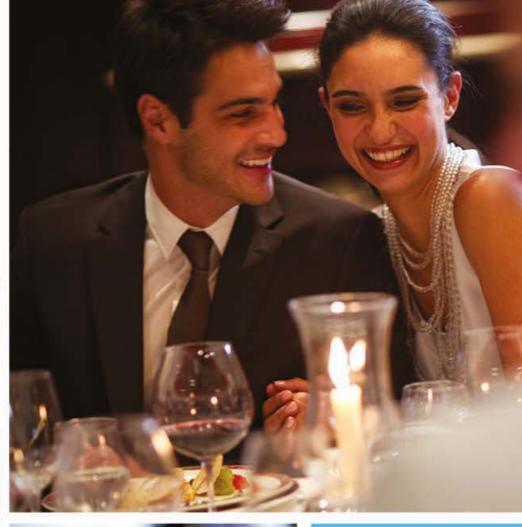

Cruise add-ons can go quickly, so to avoid disappointment we strongly advise you purchase yours as soon as possible.

5 Print your cruise documents

Bring along your signed Xpress Pass to board the ship. You might also want to print off your Guest Ticket Booklet (e-doc), which contains all your booking details and any Hotel/Transfer vouchers and flight Information that you have booked with Celebrity.

The e-doc is available to print when your final balance has been cleared (at earliest, 45 days before sailing).

Online check-in must be completed before you can print your Xpress Pass.

Europe Cruises

Delightfully diverse

Europe offers so much of everything, all inviting you to come closer for a better look. That's why we've hand-picked the best bits to bring you itineraries that ignite your curiosity and give you plenty of time ashore to make those unexpected discoveries that make a voyage with Celebrity Cruises so memorable.

DELVE DEEPER. EXPLORE MORE.

Shore excursions How many people can say they spent their holiday exploring ancient Greek, Roman, and Christian history in Ephesus? Or 15 centuries of Istanbul? We'll show you historic landmarks that mark the beginnings (or endings) of civilisations. But we'll also help you mix romance with fashion, vibrant nightlife with French vineyards, and modern marvels with incredible natural wonders (see below for some examples).

Family Challenge - The Art of Gondeliering (Venice, Italy) Become a Gondolier for a day. After an introduction in one of the oldest Venetian Rowing clubs, board your gondola with 2 instructors and up to 5 other guests and cross the main waters towards the more protected and serene Venice lagoon to begin your fun-filled day.

Dead Sea On Your Own (Ashdod, Israel)

Join us for this 'must-do' for Holy Land adventurers: a swim in the Dead Sea, 389m below sea level. You'll have access to the resort's thermomineral baths, relaxation room, swimming pools and beach. Take to the therapeutic salt waters which keep even non-swimmers afloat.

Grand St. Petersburg with Hermitage (St. Petersburg, Russia) A full day tour capturing the highlights of this gilded city. To name a few, along the way you'll see Palace Square with its picturesque architecture, the Peter and Paul Fortress, and take a guided tour of the Hermitage Museum. After lunch, take in the vast St. Isaac's Cathedral, the famous cruiser Aurora (which signaled the start of the 1917 Revolution), and browse for traditional Russian souvenirs.

Europe Cruises

Delightfully diverse

Europe offers so much of everything, all inviting you to come closer for a better look. That's why we've hand-picked the best bits to bring you itineraries that ignite your curiosity and give you plenty of time ashore to make those unexpected discoveries that make a voyage with Celebrity Cruises so memorable.

DELVE DEEPER. EXPLORE MORE.

Shore excursions How many people can say they spent their holiday exploring ancient Greek, Roman, and Christian history in Ephesus? Or 15 centuries of Istanbul? We'll show you historic landmarks that mark the beginnings (or endings) of civilisations. But we'll also help you mix romance with fashion, vibrant nightlife with French vineyards, and modern marvels with incredible natural wonders (see below for some examples).

Family Challenge - The Art of Gondeliering (Venice, Italy) Become a Gondolier for a day. After an introduction in one of the oldest Venetian Rowing clubs, board your gondola with 2 instructors and up to 5 other guests and cross the main waters towards the more protected and serene Venice lagoon to begin your fun-filled day.

Dead Sea On Your Own (Ashdod, Israel)

Join us for this 'must-do' for Holy Land adventurers: a swim in the Dead Sea, 389m below sea level. You'll have access to the resort's thermomineral baths, relaxation room, swimming pools and beach. Take to the therapeutic salt waters which keep even non-swimmers afloat.

Grand St. Petersburg with Hermitage (St. Petersburg, Russia) A full day tour capturing the highlights of this gilded city. To name a few, along the way you'll see Palace Square with its picturesque architecture, the Peter and Paul Fortress, and take a guided tour of the Hermitage Museum. After lunch, take in the vast St. Isaac's Cathedral, the famous cruiser Aurora (which signaled the start of the 1917 Revolution), and browse for traditional Russian souvenirs.

NEW CELEBRITY EXCLUSIVE.

A Taste of Provence by Alain Ducasse (Nice, France) Your culinary adventure begins with a 30-minute helicopter ride to the celebrated Provencal inn La Bastide de Moustiers. Its owner, Alain Ducasse, became the first chef to own restaurants with three Michelin Stars in three cities, making him a true culinary legend. We've been granted a special flight plan designed to show you the French Riviera as few will ever experience - the perfect appetizer for the 4-course lunch that awaits you on landing.

Savour a fresh-to-the-table gourmet experience inspired by the artistry of Alain Ducasse. Then relax strolling the grounds filled with olive trees and gardens that supply the kitchen with herbs and produce, before exploring the delightful medieval village of Moustiers Sainte-Marie.

Island rhythms

Epic sunsets, some of the world's most desirable beaches, crystal-clear turquoise waters teasing you with the promise of world-class snorkelling. Add strings of enchanting islands as varied as they're numerous, sumptuous seafood and reggae rhythms. In short, a place where doing nothing (or doing everything) work just fine together. Pull up your sun lounger and claim your personal piece of heaven.

DELVE DEEPER. EXPLORE MORE.

Shore excursions Sail off the beaten path by catamaran, fly by zip-line through the rainforest canopy in San Juan, kayak through rock formations off Cabo San Lucas, Mexico, or join like-minded adventurers for a submarine ride in Aruba. We'll help you bike, hike, boat and explore so you can revel in every technicolour moment (see below for some examples).

The Baths at Virgin Gorda (Charlotte Amalie, St Thomas) A scenic motorboat ride brings you to The Baths, a spectacularly set group of sea caves and rock outcrops. In this piece of paradise, wade through caverns formed by mammoth boulders as shafts of sunlight pour through the natural ceiling to illuminate the pools below.

Bermuda Triangle Shipwreck Snorkel (Kings Wharf, Bermuda) Visit two of Bermuda's most famous shipwrecks, the Constellation and Montana, to enjoy some of the Caribbean's best snorkelling. Situated on the very edge of the surrounding reef, the wrecks are home to an abundance of brightly hued coral and tropical fish.

Canopy Tour Zipline Adventure (San Juan, Puerto Rica) See the remarkable world of the La Marguesa Forest Reserve from a different perspective. The tour consists of 8 traverses (the longest being over 2 football fields in length and 170m in the air), with 12 observation platforms and a series of elevated walkways along the way.

Alaska Cruises

Wild & beautiful

Join us to experience a side of Alaska that can only be viewed by sea. Blue glaciers rising majestically beside you. Rare glimpses of untamed wildlife and unspoiled terrain. All breathtakingly close and surely one of Mother Nature's wildest shows. Take the big picture in from your favourite spot on our award-winning ships, then get even closer on the dozens of exhilarating shore excursions or any of the 26 Cruisetour packages we offer.

DELVE DEEPER. EXPLORE MORE.

Shore excursions Rekindle your love of the great outdoors dogsledding through the Juneau wilds, visit a bald eagle reserve in Skagway, or walk on the ice-fields at the top of remote glaciers. From whale watching by catamaran to flightseeing over the waterfalls of Glacier Bay National Park, our unique shore experiences take you into the heart of this great land and immerse you in its magic (see below for some examples).

The Big Nugget Tour (Skagway, Alaska)

An immersive experience giving full access to all tour venues at the Klondike Gold Fields. Meet a sled-dog team and their puppies. Feel the Northern cold with the 40 Below Experience, sample micro-brew beers, visit the Klondike Grill for a salmon barbecue, try the art of gold panning, and see the inner workings of a gold dredge - plus much more.

Volcanic Coast Exploration by Ocean Raft (Sitka, Alaska) Take off by purpose-designed ocean craft on a high-speed aquatic adventure to explore the volcanic coastline of Kruzof Island. You'll get up close to towering cliffs with nesting sea birds, motor right into sea caves, and race over the swells on the lookout for whales, sea otters, and other marine life.

For more information or to book, visit **celebritycruises.com/excursions**

Cruisetours Extend your adventure and multiply your experiences. We'll pair your time at sea with a pre- or post-cruise multi-night, fully-escorted land journey that offers you the most scenic and relaxing way to get to the most spectacular corners of Alaska. From the luxury of our glass-domed Wilderness Express® train, you'll revel in 360-degree views of the 24,000 sq. km. Denali National Park, the Canadian Rockies, and more.

The Ketchikan Way (Ketchikan, Alaska)

This is your once-in-a-lifetime opportunity to witness the colossal scale of Ketchikan's Misty Fjords National Monument. Board a legendary de Havilland Beaver floatplane for your sky-tour above Alaska's most unspoiled wilderness. As you soar high above the waters and 914 metre walls of sheer granite, your pilot will share his knowledge of the land via noise-cancelling headsets.

You'll pass over deep blue glaciers, verdant spruce forests, rugged river valleys, and shimmering mountain lakes. And just when you thought it couldn't get any more exhilarating, watch as your pilot executes a perfect water landing for a picnic amid one of Mother Nature's most beautiful and dramatic landscapes.

The benefits to you of a GTY stateroom are that after your booking has been confirmed, we may (at our discretion) upgrade your stateroom to one of a superior category to that originally booked at no extra charge to you. In any event, you are 'guaranteed' the minimum category of stateroom we agree to offer at the time of booking. which in the opinion of the treating doctor needs to be carried out without delay. A letter can be legally affirmed or notarised by a practising lawyer, notary or commissioner for oaths for a fee. If such evidence is not produced, the minor(s) concerned will not be permitted to board the ship or undertake the cruise. Celebrity Cruises will not be responsible for any costs, expenses or losses suffered as a result either by the minor affected, the person(s) paying for their cruise (if not the minor him/herself) r any persons travelling with the minor who decide not to ontinue with the holiday as a result of the failure to produce a letter of authorisation as set out above.

Please note: that parent(s)/legal guardian travelling with a child who has a different surname to the parent(s)/legal guardian, will be required to produce official proof such as a full birth certificate/wedding certificate/divorce papers to prove that they are the parent(s)/legal guardian of the children concerned. Individual staterooms can be booked by married couples whose minimum age is sixteen (proof of marriage is required at time of booking). Individual staterooms may only be occupied solely by minors where such staterooms are adjacent to the stateroom of the parent or Legal Guardian of the minor. On board there are certain facilities where each entry is restricted by age. Persons using the Canyon Ranch SpaClub® must be over the age of 18. The minimum age for infants to sail is six (6) months, as of the date of sailing and twelve (12) months, as of the date of sailing for Transatlantic, Transpacific, Hawaii, Australian, selected South American cruises and other selected cruises. For the purposes of this policy, any cruise that has 3 or more days consecutive at sea will require infants to be 12 months old on the first day of the cruise/CruiseTour. The health and safety of our guests is our number one priority. As such, in consideration of the limitations of the shipboard medical facility, equipment and staff, the company cannot accept waivers, releases or ests for exceptions to this policy.

4.4 What about advanced or delayed sailings and changes in the itinerary?

We regret we cannot guarantee that ships will call at every advertised port or follow every part of the advertised itinerary. Itineraries may change from time to time. Celebrity Cruises and the Master of the ship have the right to omit any port(s), call at any additional port(s), deviate from the advertised itinerary in any way or substitute another ship or port. This could be for a variety of reasons such as prevailing weather and sea conditions, guest emergencies, providing assistance to other vessels and the ship being unable to operate at its normal speed(s) due to unexpected mechanical or technical problems Normally, changes in the itinerary are to protect the interests and safety of our guests. Please also see clause 4.5.

4.5 Can you change or cancel my holiday?

Occasionally, we have to make changes to and correct errors in the brochure and other details both before, and after, bookings have been confirmed and, even more rarely, cancel confirmed bookings. Whilst we always endeavour to avoid changes and cancellations, we must reserve the right to do so. If we have to make a significant change or cancel, we will tell you as soon a possible. If there is time to do so before departure, we will offe you the choice of the following options:-

(a) (for significant changes) accepting the changed arrangements or

(b) purchasing an alternative holiday from us, of a similar standard to that originally booked if available. We will offer you at least one alternative holiday of equivalent or higher standard for which you will not be asked to pay any more than the price of the original holiday. If this holiday is in fact cheaper than the original one, we will refund the price difference. If you do not wish to accept the holiday we specifically offer you, you may choose any of our other then available holidays. You must pay the applicable price of any such holiday. This will mean you paying more if it is more

expensive or receiving a refund if it is cheaper. (c) cancelling or accepting the cancellation in which case you

eive a full and quick refund of all monies you have paid to us.

Please note, the above options are not available where any change made is a minor one.

What is a significant change?

A significant change is a change to your confirmed holiday which we can reasonably expect will have a significant effect on it. Examples of significant and minor (defined below) changes are as follows[.]

Significant change: A change from two days port of calls to two iys sailing instead

Minor change: A change from one port of call to another; A change from one day's port of call to one days sailing; A change in timings for any port(s) of call but the ship still calls at all confirmed ports;

A change in order of ports that are visited.

Very rarely, we may be forced by 'force majeure' (see clause 4.10) to change or terminate your holiday after departure but before the scheduled end of your time away. This is extremely the scheduled that the scheduled of the sc unlikely but if this situation does occur, we regret we will be unable to make any refunds (unless we obtain any refunds from sur suppliers), pay you any compensation or meet any costs or expenses you incur as a result.

4.6 Can you refuse to allow me to travel?

Yes, if in our reasonable opinion or the reasonable opinion of the ship's Master or doctor, you are or appear to be unfit to travel for any reason or a risk or danger to yourself or a danger to others or behave in such a way as to cause or likely to cause danger, upset or distress to any third party or danger to property. In this situation we are entitled without prior notice to refuse to allow you to travel on any ship and to terminate your cruise holiday at

any time. You may then be left at any port or place at which the ship calls without us incurring any liability. You will have to pay any costs, expenses or losses suffered as a result, and we will not pay any compensation or give you any refund. Once your holiday has been terminated in this manner, we will not have any further responsibility towards you.

To ensure a healthy sailing, we may also request that guests who arrive at check in and are showing symptoms of gastrointestinal type illness or other illnesses that spread easily from person to staff to reschedule their cruise. The same right to refuse to allow you to travel or to use any

services applies where you are or appear to be unfit to travel or otherwise behave badly as set out above during any other part of your holiday. If we refuse to allow you to take your holiday because you have failed to give proper notice of physical or mental disabilities or conditions, which require special care, the cruise only fare you have paid will be refunded.

• the act(s) and/or omission(s) of the person(s) affected or any member(s) of their party or

If the parti services which gave rise to the claim or complaint complied local laws and regulations applicable to those services at the time the services will be treated as having been properly provided. The exception to this is where the claim or complaint concerns the absence of a safety feature, which might lead a reasonable holidaymaker to refuse to take the holiday in question.

4.8 What is your limit of liability towards guests?

The provisions of the Convention relating to the Carriage of Passengers and their luggage by Sea 1974 as supplemented ad/or varied by any other applicable legislation from time to time in force including, but not limited to Regulation (EC) No 392/2009 (together "The Athens Convention") applies to your cruise as well as the process of getting on and/or off the ship. For any claim involving death or personal injury or delay of or loss of or damage to luggage the only liability we have to you is in accordance with The Athens Convention. This means you are not entitled to make any claim against us which is not expressly permitted by The Athens Convention or which is in excess of the limits provided by The Athens Convention. Any claims covered under The Athens Convention must be made within the tim imits set out in The Athens Convention. The Athens Convention limits the maximum amount we as the carrier have to pay if limits the maximum amount we as the carrier have to pay in found liable in the event of death or personal injury and for claims concerning luggage and valuables. Where any claim or part of a claim (including those involving death or personal injury) concerns or is based on any travel arrangements (including the process of getting on and/or off the transport concerned)

The most we will have to pay you for that claim or that part of a claim if we are found liable to you on any basis is, except as otherwise expressly set out in the Booking Conditions, the most the carrier or hotel keeper concerned would have to pay under the International Convention or Regulation which applies under the International Convention or Regulation which applies to the travel arrangements or hotel stay in question (for example, the Warsaw Convention as amended or unamended and the Montreal Convention for international travel by air and/or for airlines with an operating licence granted by an EU country, the EC Regulation on Air Carrier Liability No 889/2002 for national and international travel by air). Please note: Where a carrier or hotel would not be obliged to make any payment to you under the applicable International Convention or Regulation in respect of a claim or part of a claim we similarly are not obliged to make of a claim or part of a claim, we similarly are not obliged to make a payment to you for that claim or part of the claim. When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the transport wider or hotelier for the complaint or claim in question. Copies of the applicable International Conventions and Regulations are e from us on request. The current maximum limits that apply under the Athens ention in the event of our liability for death or persona injury caused by a shipping incident is 250,000 special drawing rights SDRs unless such is caused by an act of war, natural phenomenon, civil war, terrorism or any other exception set out in the Athens Convention. agreed to arrange them. The promises we make to you about the services we have agreed to provide or arrange as part of our contract – and the laws and regulations of the country in which your claim or complaint occurred – will be used as the basis for deciding whether the services in question had been properly provided. If the particular services which gave rise to the claim or complaint complied with local laws and regulations applicable to those services at the time This will be the case even if the services do not comply with the laws and regulations of your country of residence which would have applied had those services been provided in your country of residence. The exception to this is where the claim or complain concerns the absence of a safety feature which might lead a reasonable holiday maker to refuse to take the holiday in question.

In the unlikely event you have a reason to complain whilst away, you must immediately notify the Guest Relations Desk on board ship and the supplier of the service(s) in question (if not us). This to attempt to resolve any issue you raise. Any verbal complaint must be put in writing and given to the supplier and us as soon as possible. If a problem cannot be resolved to your satisfaction and you wish to follow this up you must write to us on your return to the address below. You must give your booking reference number and full details of your complaint within 28 days of your return from holiday unless a different time limit applies to your claim rom the lead name of a booking. If your complaint is written on behalf of other members of your travelling party, their full names and booking reference numbers must be clearly stated in the correspondence together with their authority for you to handle the complaint on their behalf. If you fail to follow this simple complaints procedure, your right to claim the compensation you av otherwise have been entitled to may be affected or even lost

When we talk about circumstances which are totally outside our control we mean any event which we or the supplier of the service in question could not have predicted or avoided even after taking all reasonable care. Such events are likely to include war or thread of war, acts of terrorists or threats of such acts, riots or civil unrest industrial action natural or nuclear disaster fire adverse weather conditions, halth risks, epidemics, mechanical difficulties (which we could not have anticipated or avoided despite our normal comprehensive mechanical checks) and al

3) an event or circumstances which we or the supplier of the service(s) in question could not have predicted or avoided

4) the fault of any person who was not caring out work agreed by

Please note, we cannot accept responsibility for any services, which do not form part of our contract. This includes, for example, any additional services or facilities, which your hotel or any other supplier agrees to provide for you where the services or facilities are not advertised in our brochure and we have not milar circumstances which are outside our control
